Supplemental Payments for New Orleans Area Hospitals
(LAC:V.6121)**

The Department of Health and Hospitals, Bureau of Health Services Financing adopts LAC 50:V.6121 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

As a result of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services' disapproval of the state plan amendment for the financing of the transition of the management and operation of certain children's specialty hospitals from state-owned and operated to private partners, the Department of Health and Hospitals, Bureau of Health Services Financing promulgated an Emergency Rule which adopted a supplemental payment methodology for outpatient hospital services rendered by children's specialty hospitals in the New Orleans area (*Louisiana Register*, Volume 41, Number 2). This Emergency Rule is being promulgated to continue the provisions of the February 12,

2015 Emergency Rule. This action is being taken to promote the health and welfare of Medicaid recipients by ensuring sufficient provider participation and continued access to inpatient hospital services through the maximization of federal dollars.

Effective June 10, 2016, the Department of Health and Hospitals, Bureau of Health Services Financing adopts provisions governing outpatient supplemental payments for outpatient hospital services rendered by children's specialty hospitals in the New Orleans area.
